

## School Sports Funding

Schools are allocated Sport Premium Funding on the basis of an amount for each school and an amount per primary-aged pupil as identified in the census for January 2017.

For 2017/2018 we plan to use the funding in the following ways:

Sport Premium Funding received for 2014/15	£8,225
Sport Premium Funding received for 2015/16	£8225
Sports Premium Funding received for 2016/17	£8334
Sports Premium Funding allocated for 2017/18	£16650

<b>Principles</b>	To engage and enthuse our pupils to participate in high quality, meaningful school competition, supporting them in achieving their personal best in sport and life.
	To provide access to a range of opportunities for pupils to take part in competitive and non-competitive sports.
	To provide opportunities for pupils in Year 4 to develop leadership skills and aspects of citizenship through volunteer roles as Sports leaders and ambassadors.
	To work with the Leighton Linlade School Sport Partnership to enhance the range of opportunities available for our pupils and to develop an action plan for the year.
	To develop the outdoor provision allowing the children to engage in physical activities in all weather and to take classroom learning outside.
<b>Provision</b>	KS 1 Level 1 skills based competition in school
	KS 2 Level 1 skills based competition in school
	Year 4 Sport Leader Training

	Curriculum support – football, tag rugby, gymnastics, dance, cricket , athletics, netball
	Level 1 Bikeability cycle training for Year 4 pupils
	Out of hours coaching – tag rugby, gymnastics, football, archery, cricket, tennis, netball, hockey, fencing.
	Continuing Professional Development for members of staff
	Level 2 competitions through Leighton Linlade School Sport Partnership
	Purchase of additional equipment for PE and sport
<b>Measuring Impact</b>	The Leighton Linlade School Sport Partnership will provide a full evaluation of the sporting activities for the year, including school games involvement reports.
	The impact of the outdoor improvements will assessed at the end of the academic year.

. All activities will be fully inclusive.

PE funding is ring-fenced and can only be spent on improving the provision of PE and school sport. However, schools do have the freedom to spend the money how they see fit within this remit, the aim is for all children to develop healthy life long attitudes towards healthy life styles.

At Totternhoe Lower School we are fully committed to fulfilling this role. During 2017-18 are expecting to receive £16650. We are currently waiting for the confirmed funding amount.

The funding will be used towards:

- Continuing to be part of Leighton – Linslade School Sports Partnership: giving us access to festivals and competitions, sports leadership training, bikability and staff training. (£3150)
- Improving the outdoor provision on the school grounds to allow the children to engage in physical activities in all weathers and to provide resources and equipment to link PE and sport with core subjects. (13500)

We plan to purchase the following resources:

Archimedes screw – 4078

Waterwheel & table 1870

Weather station panels 536

Tunnel - 2636, Spider web – 959, Scramble climber – 1244, Climbing Wall – 1954 to be added to our current 'Trim Trail'.

These will require safety surfacing which we are currently collecting quotes for, these will be covered by any remaining funding. We are also collecting quotes for 'Grasslock' surfacing to update our current Trim Trail, allowing it to be used in all weathers. Any shortfall in funding will be covered by the school as these are a priority to allow safe use of the equipment.

At Totternhoe Lower School we understand the importance of PESS and a healthy life style. All activities are fully inclusive.
